

Recruitment Package

Targeting the right people not only saves you time but it also ensures you don't get swamped with CVs that aren't relevant for your specific job. The Care Homes Guide allows you to target the right people - ensuring you get a higher quality response.

Our registered homes have a link direct from their adverts to their home details on the Care Homes Guide. This enables the Applicants to find out more about the services you offer, the type of home you are, your locations and information about the local area. Applicants can also read your latest CSCI report.
